So this page from The School Run has a neat summary of clauses and how they work together, with clear illustrations to emphasise examples.Read it here.4 | Subordinate clause examplesThis page from Grammar Bytes has a good list of examples with explanations as to why they are subordinate clauses, stating:‘A subordinate clause cannot stand alone as a sentence because it does not provide a complete thought. The reader is left wondering, ‘So what happened?”So looking at the first example in the image above, it asks: ‘So what happened? Did Amy throw it down the garbage disposal or serve it on toast to her friends?’ explaining that because there’s no complete thought here, it is only a fragment of a sentence.Check out more examples here.5 | Subordinating conjunctions postersThis classroom display pack features a set of six posters illustrating a range of subordinating conjunctions, using eye-catching images surrounded by example sentences.Blank versions of the posters are also included, so children and teachers can add their own text suggestions.Find this pack here.6 | Subordinating conjunctions 5-lesson packThis powerful Year 3 grammar resources pack provides everything you need to teach a series of five lessons on subordinating conjunctions, culminating in an extended writing task where children can use their grammatical understanding in context.Get it here.7 | Clauses question sheetThis 20-page PDF has a whopping 41 questions on clauses, including subordinate clauses, for children to do at home or in school.Print it resource here.8 | add subordinate clauses worksheetThis homework sheet features 11 sentences for children to add subordinate clauses to.Download this resource here.9 | Main and subordinate clauses worksheetThis worksheet is divided into four sections, with 16 questions in total.The first asks students to say whether the underlined part is a clause or a phrase. In the second they need to write out the sentence, underline the main clause and put brackets around the subordinate clause.In the third and fourth sections they need to add a subordinate and a main clause respectively to the sentences provided.Find this one here. About this Worksheet: This clauses worksheet directs the student to underline the main clause once and the subordinate clause twice. A main clause makes sense on its own. A subordinate clause gives further meaning to the main clause. This clauses worksheet gives good practice with identifying the main and subordinate clauses of a sentence. This worksheet is suitable for 6th grade, 7th grade and 8th grade. I create a range of resources aimed at primary aged children; most frequently upper KS2. My passion is teaching mathematics, my specialist subject area. I have two aims: To create fun resources which inspire children To create mathematicians, not robots! I believe great teaching, specifically with mathematics, should aim to teach children the underlining methods which children can apply to take initiative of their own learning!
